TUTORIAL 06
Install a Free WordPress Theme from Theme Directory
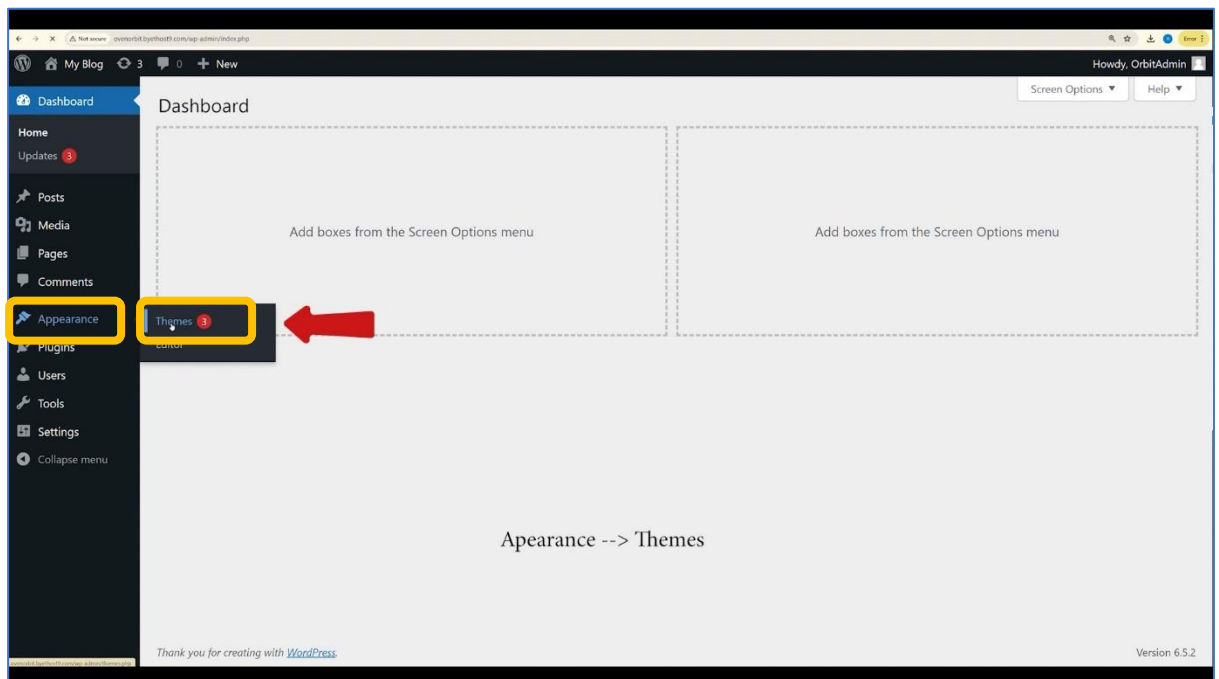

# Web Design Using WordPress

Beginner Level

1. Login to WordPress Admin Dashboard.

2. Go to Appearance → Themes

3. Click on Add New Theme button.

4. Search for the theme you want.

   Eg: cafe

5. Select the theme you want to install.

   Eg: Cafe Eatery

6. Then click on Install Now.

7. Once the theme is installed, Activate button will appear.

    Then click the Activate button.
